

## Second Liberty Loan

### Payment Now Due

The second payment of 18% on the Second Liberty Bond issue is due Nov. 15. Payment should be made to the local banks Monday so that remittance will reach Federal District Bank at Dallas by the 15th.

Persons defaulting on this installment of 18% will lose their first payment of 2%. In case of forfeiture the 2% will go to the government and not to local banks.

A word to the wise, and patriots, is sufficient.

**TUMULTY NOT SENT  
TO FT. LEAVENWORTH  
OR ANYWHERE ELSE**

President's Secretary Wants It Understood That He Is Not in Jail; Origin of False Reports to be Investigated

By Associated Press. Washington, Nov. 14. Newspapers offer the government departments and even the White House itself have been bombarded recently by queries from many sections of the country concerning preposterous stories about Secretary Tumulty. Usually the questioner wants to know whether it is true that the president's secretary has been sent to Fort Leavenworth as a

Now Mr. Tumulty is far away from his friends so the subject and his right in authorizing this statement is left in doubt.

For several days friends have written, telegraphed and telephoned me from all parts of the country stating that rumors are being maliciously spread abroad that I have been imprisoned at Fort Leavenworth. All sorts of ridiculous stories have been told about me. Some persons who are the victims of a tendency and inclination to spread rumors without any knowledge of the facts or circumstances of the case, have been instrumental in creating the idea that the president's secretary has been sent to Fort Leavenworth as a result of his conduct in office.

**LLOYD GEORGE WILL  
BE CALLED UPON TO  
EXPLAIN HIS SPEECH**

House of Commons Will Ask Britain's Premier to Explain His Paris Address; War Cabinet Is Said to be With Him.

By Associated Press. London, Nov. 14.—Premier Lloyd George will be asked in the house of commons today by former Premier Asquith for a statement in regard to his Paris speech, in which he spoke of the new inter-allied committee and the blunders which he said had been made by the allies in the past in the conduct of the war. The premier is expected to be present to reply, but will defer a full statement until later, when an opportunity will be given to him to discuss it.

The war cabinet is said to be in touch with the premier in all the points to this Paris speech and the policy which it announced, and to be prepared to hold to this policy. The attitude of the real and file of the officials will have a considerable effect on the parliamentary situation.

As far as the House of Commons has said he would not remain a member of the coalition cabinet unless he received the general support of the members. There is a good deal of criticism of the government's new policy from the members, although their attitude considerably may be changed by the speech Mr. Lloyd George is to make.

No one has been able to account for the circulation of these reports. Most of them have come out of the Midwest.

#### TO ALL WOMEN

A Little Sound Advice Will Help Many a Sufferer in Albuquerque.

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off when the kidneys are well, are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse trouble may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Dean's Kidney Pills a remedy that has proven effective in thousands of such cases. Let this Albuquerian woman tell of her experience.

Mrs. W. J. Pearce, 1614 North Eighth street, says: "My back was so lame and painful I was unable to do my homework. Every time I made a move, my back fairly twinged and I frequently had to stop working. I suffered from nervous headaches and my sight blurred for minutes at a time. I started taking Doctor's Kidney Pills and received welcome relief in a few days. I was soon cured of the attack. On several occasions since I have used Doctor's Kidney Pills getting them at Harry's Drug Store and they have always helped me."

Price 60¢ at all dealers. Don't simply ask for a kidney remedy—ask for Doctor's Kidney Pills. She says that Mrs. Pearce uses Doctor's Kidney Pills. M. Pearce, N.Y.
